Officer Chris Mueller and Officer J.D. Summers

Officer Mueller, Officer Summers and Auxiliary Officer Brett Tipton participated in and were integral in the AED save of a woman in the Quincy Mall this morning. According to Officer Mueller, he had Auxiliary Officer Tipton riding with him when at 0808 hours, he and Officer Summers responded to alarm call inside the mall. The mall was busy with people and they were moving cars around inside to prep for a car show this weekend. As they were handling the alarm, the officers were alerted to a woman who had collapsed nearby. They responded immediately and assessed her and she was unconscious with agonal breathing. Using their training and experience they formed a plan. Officer Summers ran to his car for his AED. Officer Mueller began assessing the patient, and radioed for an ambulance. Officer Mueller found no pulse, radioed the patient status and started compressions. A mall security guard arrived with an AED and it was employed. The AED advised shock needed and they administered one shock. Officer Mueller sent Auxiliary Officer Tipton to the mall doors to flag down the arriving ambulance and direct them to their location and then resumed compressions. Officer Summers was back and provided rescue breaths using a one-way breath valve. Ambulance and fire arrived and took over the patient. Officer Mueller followed to the hospital and was informed that the patient was breathing and had a heartbeat and although not out of the woods appeared to have been saved. Officer Mueller learned that the woman had been walking in the mall for exercise when she collapsed and that she was a recent heart patient who had a by-pass in December. This is a great example of officers serving our community and saving a life!
